

Michigan do you have what it takes?

With a talent search open to any act of any age, **AMERICA'S GOT TALENT** has brought the variety format back to the forefront of American culture by showcasing the hottest performers from across the country.

Each week, the show features a colorful array of hopeful stars, including singers, dancers, comedians, pets, contortionists, impressionists, jugglers, magicians and ventriloquists, all vying for their chance to perform on stage in front of our panel of celebrity judges and the viewing audience in the hopes they'll be chosen the winner.

For season four America's Got Talent is currently **planning a MASSIVE nationwide audition tour starting in January '09**. The auditions will be traveling across America to over eight major cities including New York, Los Angeles, Chicago, Washington D.C. to name a few.

For the last 3 seasons this series has truly changed the lives of its previous contestants in ways they never dreamed of...Last year insurance salesman/opera singer Neal E. Boyd from Missouri won the \$1,000,000 grand prize and also achieved his lifelong dream to headline on the Las Vegas Strip with a show planned for the MGM.

What makes this show unique is that any talent goes. We want to see anything and everything...No matter how zany, bizarre or unusual others may think your talent is, on our show, it could make you a star.
